

# KRISTAN HARRINGTON, M.B.A., R.T.(R)(MR)(ARRT)

6015 STATE BRIDGE ROAD #12308 DULUTH, GEORGIA 30097

404-519-9384

KRISTAN.HARRINGTON@GMAIL.COM

## EDUCATION

<b>Master's of Business Administration</b> Graduated With Honors	2009
<b>Emory University, Atlanta, Georgia</b> <b>Bachelor's Degree in Medical Science Education</b> Graduated With High Honors	1997
<b>Emory University, Atlanta, Georgia</b> <b>Associate's Degree in Radiology Technology</b> Minor: Magnetic Resonance Imaging Graduated With Honors	1996
<b>Philips Healthcare, Cleveland, Ohio</b> <b>Six Sigma/ Green Belt</b>	2008
<u>Dedicated MRI Education:</u>	
<b>Heart Institute of Berlin, Berlin, Germany</b> MRI Cardiac Imaging; Stress Testing and Perfusion Techniques	2001
<b>Philips Healthcare, Best, The Netherlands</b> MRI Cardiac Imaging: Advanced Imaging	2001
<b>Philips Healthcare, Emory University, Atlanta Georgia</b> MRI Cardiac Imaging: Basic	2001
<b>University of Texas Southwestern, Dallas, Texas</b> MRI Spectroscopy: Basic	2002
<b>Philips Healthcare, Best, The Netherlands</b> MRI Spectroscopy: Advanced	2002
<b>Philips Healthcare, Best, The Netherlands</b> Sequence and Software Development	1998-2004

## PROFESSIONAL CERTIFICATIONS

1996: Certification: American Registry of Radiologic Technologists (ARRT) , RT, (R)  
ID # 307777: Radiology Technology

1999: Advanced Certification: American Registry of Radiologic Technologists (ARRT) , RT, (MR)  
ID # 307777: Magnetic Resonance

## AWARDS

Pinnacle Board	May 2007 – May 2007
Lambda Nu Radiology Honor Society	November 2009-Current

## TEACHING EXPERIENCE

<b>Emory University, Atlanta, Georgia</b> School of Medicine, Medical Imaging Program <b>Faculty: Full Time Appointment</b>	2009-2012
---	-----------

Physics and Instrumentation Level I, II, and III: Developed syllabus and Delivered curriculum, administering all grades.

**Emory University, Atlanta, Georgia**

School of Medicine, Medical Imaging Program

**Faculty: Full Time Appointment**

2009-2012

MRI Procedures Level I, II, and III: Developed syllabus and Delivered curriculum, administering all grades.

**Emory University, Atlanta, Georgia**

School of Medicine, Medical Imaging Program

**Faculty: Full Time Appointment**

2009-2012

MRI Practicum Level I, II, and III: Developed syllabus and Delivered curriculum, administering all grades.

**Philips Healthcare, United States various locations**

1999-2005

**Senior Clinical Education Training Specialist**

Delivered MRI Basic Education to Philips MRI Customers.

**Philips Healthcare, United States various locations**

1999-2005

**Senior Clinical Education Training Specialist**

Delivered MRI Advanced Cardiac and Spectroscopy Education for Philips MRI Customers.

**Philips Healthcare, North America**

1999-2005

**Senior Clinical Education Specialist**

Delivered MRI Advanced Cardiac and Spectroscopy Education for Philips MRI Employees.

**Philips Healthcare, United States various locations**

2001

**Senior Clinical Education Specialist**

MRI Clinical Education Specialist: Cardiac MRI

**RELATED EXPERIENCE**

**Bracco Sine: CHINA**

2014

Invited Speaker: Beijing/ Shanghai

National Meeting and Roundtable Presentations

**GE TipsTV Recording**

2014

Live Video Recordings: October

Leadership Skills

**GE TipTV Recording**

2014

Live Video Recordings: October

Cardiac MRI

**GE TipsTV Recording**

2014

Live Video Recordings: October

Mammography Evolution

**ISMRM: Invited Speaker**

2014

MR Safety

Milan, Italy

**ISMRM: SMRT Invited Speaker**

2013

MR Enterography

Salt Lake City, Utah

<b>GE Healthcare TiP TV Healthcare Learning System</b> Live Video Recordings: RSNA November 2012 Topics: MR Safety: Preventing Patient Burns MR Transition to 3T Imaging	2012
<b>GE Healthcare TiP TV Healthcare Learning System</b> Live Video Recordings: May 2012 Topics: MR Safety MR Enterography MR Breast Imaging	2012
<b>Medical Technology Management Institute: MTMI, United States, Webinars</b> Current Topics: Optimizing MRI on a Day-to-Day Basis Quarterly (4) 2 hour sessions	2012-
<b>Bracco Imaging</b> Faculty Keynote Speaker: Nationwide Topics: MR Enterography, Breast Imaging, MR Abdominal Imaging, MR Contrast Agents	2012
<b>Bracco Imaging</b> 2011-2012 Regional Speaker Key Topics: MR Contrast Agents	
<b>Medtronic</b> MRI Educational Support	2011-present
<b>Siemens</b> 3T Course Educator William Faulkner and Associates	2011-present
<b>FDA CT Contrast Agent Safety Profile National Video</b> Author of Content and Delivery	2012
<b>Vital Imaging Education</b> Author of Content and Delivery	2012
<b>Toshiba Medical Systems</b> 3T Education conducted by William Faulkner and Associates	2012
<b>Northwest Imaging Forums</b> Optimizing MR Protocols for MRI Technologists Keynote Speaker Topics: MR Enterography, MR Breast Imaging, MR Suppression Techniques	2012
<b>Medical Technology Management Institute: MTMI, United States, various locations</b> present <b>Keynote Speaker: MRI: Optimization on a day-to-day approach</b> Deliver eight hour accredited program on MRI physics and protocol optimization techniques.	01-
<b>GE Healthcare TiP TV Healthcare Learning System</b> Live Video Recordings: RSNA November 2011 Topics: MR Saturation and Suppression Techniques	2011
<b>Northwest Imaging Forums: NWIF, United States, Nashville, Tennessee</b> <b>Keynote Speaker: Pediatric Imaging</b>	11/10

Deliver four hour accredited program on MRI Pediatrics relating to all optimization techniques with a concentration on both neurological and body imaging.

**Philips Healthcare, Best, The Netherlands**

**Beta Testing and Research Analyst**

2004

Completed daily studies and analysis on innovative and new release concepts providing statistical analysis and supporting data.

**Leeds Cardiac MRI , Leeds, United Kingdom**

**Expert Cardiac Educator and Review for M.D./ PhD/ and RT's**

2003

Delivered cardiac Education and demonstration on behalf of Philips Healthcare.

**Philips Healthcare, Best, The Netherlands**

**MRI Safety Education Specialist**

2003-2005

Evaluate safety issues associated with United States Philips Healthcare MRI sites.

**Northwest Imaging Forums: NWIF: United States, Various Locations**

2002-2008

**MRI Philips Advanced Educator**

Provided education to MRI technologists through Philips Healthcare breakout educational seminars.

**Society of Interventional Radiology, New Orleans, Louisiana**

**MRI Easy Vision Expert Educator**

2002

Provided education to Interventional Radiologists on Interventional Applications on post processing workstation.

**PUBLICATIONS**

**Advance Magazine**

**Author**

MRI Year in Review 2011

**SMRT Journal Phase Contrast MRI Imaging Techniques**

**Expert Reviewer**

01/10 – 08/10

Provided review of journal information and associated question database for continuing education credits.

**PROFESSIONAL SOCIETIES**

International Society of Magnetic Resonance and Medicine: ISMRM

Section of Magnetic Resonance Technologists: SMRT

Association of Educators in Imaging and Radiologic Sciences: AEIRS

Georgia Society of Radiologic Technologist: GSRT

**PROFESSIONAL EXPERIENCE**

**William Faulkner and Associates**

April 2010-Present

**MRI Education and Operations Consulting**

Assist with education and operations for Numed Corporation.

**Emory University, Atlanta, Georgia**

November 2009-2012

School of Medicine, Medical Imaging Program

**Faculty: Full Time Appointment**

MRI Minor Track faculty for Bachelor's Degree Radiology Technology

**Children's Healthcare of Atlanta, CHOA Scottish Rite**

November 2009-Current

## **MRI Technologist**

### **Philips Healthcare, Cleveland, Ohio**

June 2007-September 2009

Clinical Education Department

#### **National Manager, Leadership Manager: Modality Programs Education**

Managed 23 direct report employees that covered MRI, Cardiovascular, Computed Radiography, Digital Radiography, and PACS. Lead staff to develop curricula for all customers for the education center for customers as well as develop and deliver all education to Philips employees responsible educating customers in the field environment.

### **Philips Healthcare, Cleveland, Ohio**

February 2005-June 2007

Clinical Education Department

#### **Operations Manager of Clinical Education Training Center**

Managed daily operations and logistical aspects of clinical education training center in Cleveland Ohio for the following modalities: MRI, Nuclear Medicine, PET, and Radiography. This included but was not limited to local contracts, evaluation and statistical analysis of educational offerings, asset and inventory acquisition, and preceptorships at United States affiliated facilities.

### **Philips Healthcare, Cleveland, Ohio**

February 2003- February 2005

Clinical Education Department

#### **MRI Clinical Education Training Specialist**

Developed curricula and delivered educational materials to Philips customers at the Cleveland Training Center

### **Philips Healthcare, Atlanta, Georgia**

April 2000- February 2003

Clinical Education Department

#### **Senior MRI Clinical Education Specialist**

Responsible for travel in North America, Latin America, and Western Europe to deliver education on MRI physics and operations of Philips MRI equipment to Philips customers. Advanced education certification in both cardiac, spectroscopy, and fMRI.

### **Philips Healthcare, Atlanta, Georgia**

April 1998-April 2000

Clinical Education Department

#### **Clinical Education Specialist**

Educated customers at their facility on MRI physics and basic operation of their Philips MRI equipment.

### **Children's Healthcare of Atlanta, CHOA Scottish Rite**

June 1999-April 2000

#### **MRI Technologist**

Pediatric MRI Technologist

### **Emory University, Atlanta, Georgia**

July 2004-April 1998

#### **MRI Technologist**

MRI Technologists performing all varieties of MRI exams including, but not limited to Cardiology, Neurology, Abdominal, and Orthopedic. Involved in several research projects for both development of Diffusion Weighted Imaging (DWI), and MRI and PET correlation in Alzheimer's patients.
